

Aficio™ SP 6330N

Compact A3
Workgroup printer

RICOH

The cost-efficient A3 printing solution

Keep one step ahead with the Aficio™SP 6330N. This monochrome laser printer enables you to create different types of office documents at high speed. Heavy paper, labels or special stock – all are processed smoothly. Network capability is standard. Last but not least, this printer stands out thanks to its affordability and efficiency.

Key features

- High productivity: 35 ppm (A4)
- @Remote cost-accounting capability
- Standard Network Interface Card
- Superior media handling

Speed up

Working at high speed, the SP 6330N manages your print jobs in the blink of an eye. The printer warms up in no more than 19 seconds. Its first print appears in less than seven seconds. With a maximum paper capacity of 1600 sheets, your productivity is never compromised.

Added functionality

With Ricoh printers you gain added functionality through our solutions technology. Business applications can be embedded onto your printer to improve functionality and help reduce your carbon footprint. Ricoh's solutions can assist you in improving document security, centralising device management and even barcode printing, enabling you to take control of your office printing and reduce associated costs.

Connect easily

The SP 6330N is well equipped for shared use. Its network interface card is standard. With USB 2.0 and Ethernet 10 base-T/100 base-TX, this printer fits right into your existing network. Other interfaces are available as options. Send specific jobs to the most appropriate machine and get more value from your output systems.

Excellent paper handling

For your reports, handouts or flyers, the SP 6330N supports a great variety of media. Stock ranging from A6 to A3 and weighing up to 216 gsm is accepted effortlessly. Create your own materials when you need them and cut outsourcing expenses.

Reduce costs

- Track printer use and costs via @Remote
- Save paper by printing duplex (optional)

Versatile printing

- Collate prints
- Produce and check sample prints
- Set a password for the release of confidential prints (with optional HDD)

Environmentally friendly printing

Like all Ricoh products, the Aficio™ SP 6330N reflects Ricoh's commitment to the environment, through the use of toxic free materials* and low power consumption (Energy Saver mode).

We are using our expertise in innovation to deliver products that exceed in both performance and environmental sustainability.

- By using Ricoh's Consumables Recycling Program you can ensure your toner cartridges are fully recycled with zero-waste-to-landfill
- Our free Consumables Recycling Program has over 7,900 collection boxes in use across Australia and has diverted 436 tonnes of consumables from landfill
- We are developing a plant based plastic for our toners. Replacing the world's inventory with plant-based resin would reduce carbon dioxide emissions by approximately 120,000 tons per year

* In compliance with EU RoHS directive (RoHS: Restriction of Hazardous Substances, effective from July 2006).
